

Summer season 2019

Dear parents,
dear juniors,

The preparations for this year's summer season have already begun and we are very pleased to inform you that Pablo Guerrero Seoane as well as Zoran Jovicic will be our head coaches. Svenja Haymann will be back on court for 3 days a week after her maternity leave. Cristina Palomino together with all our last year's assistants will support the two head coaches.

Below please find some important information about the juniors' summer training 2019. In addition we enclose the enrolment form and the "general information" sheet, which can also be found on our homepage: www.tczug.ch

Bambini-courses (age-group 2012-2014)

We would also like to motivate and encourage our youngest players to play tennis. Their training lasts 40 minutes as concentration is easily lost after a longer period of time. A lesson involves among other things playing tennis, coordination training as well as various ball games. To be able to participate in the training, players do not have to be club members.

Hobby and tournament players

The players in this category have the chance to train once or several times a week. Their lessons last 60 minutes. The main goal is to improve their tennis skills and learn the proper technique required to play tennis on a high level. Of course, every hobby player can also become a tournament player, as the better you are, the more fun it is to play tennis. As a hobby or tournament player club membership is mandatory and the fees depend on the player's age. Members can also play with friends on the courts of the club. We are very happy if a lot of young members play matches besides their trainings.

Fees

"Bambini-courses"

40 minutes in groups
(no club membership required) CHF 330.00

Hobby and tournament players

Group training CHF 390.00
60 minutes in a group of 2 CHF 650.00

Junior private lessons

Summer season private lessons CHF 1'500.00

We would like to offer ambitious players the chance to take private lessons during the junior training hours. If you are interested in this offer, please mark it on the enrolment form. The fee for the seasonal private lessons has to be paid in two instalments for the whole season.

Single private lessons

CHF 90.00

If we have enough coaches available, you can book single private lessons as well. Payments for private lessons are due on a weekly basis. The rules regarding cancellations are stated in the "general information" sheet dated January 2019.

Insurance

Has to be covered by the participant.

Junior membership fees

By enrolling for the summer courses, the child or the teenager becomes automatically a member of our tennis club. Therefore, a membership fee will be due. The cost of this membership fee depends on the child's or the teenager's age and will be invoiced separately.

Age up to 7 (age-group 2012 and younger)		-----
Age 8 to 10 (age-group 2009-2011)	annual fee	CHF 50.00
Age 11 to 14 (age-group 2005-2008)	annual fee	CHF 100.00
Age 15 to 18 (age-group 2001-2004)	annual fee	CHF 150.00

If a player isn't taking tennis lessons any more, you have to cancel the membership separately in written form. Otherwise we assume that you are not interested in taking tennis lessons any longer, but you would like to keep the advantages of a membership. The letter of cancellation must be sent to the Tennis club Zug 2 days prior to our general assembly. Otherwise, the membership fee is due for another year.

Enrolment

to be sent by mail to gstczug@tczug.ch or printed out and handed in to Pablo Guerrero Seoane or Zoran Jovicic. Unfortunately, the form can only be filled in on a windows computer. Mac users will have to print out the form and to fill it in by hand.

Deadline for enrolment Friday, 14th March 2019

The enrolment is binding. On cancellation of the enrolment for any reason within 14 days before the course starts, 100 % of the course fee is due.

In case of absence, illness, injuries and the like during the summer season, at one's own fault or not, no costs can be refunded.
